

PUPPY KINDERGARTEN

4 week class | Ages 10-14 Weeks | 30 min sessions | \$199.00

Put your best 'paw' forward! In this introductory behavior class, you will learn some 'tips & tricks' to being a great pet parent through understanding your puppy's needs, including advice on the best toys & puppy training tools. We'll cover potty training, collar conditioning, bathing desensitization & sound exposure. And the best part is socialization & positive play time experiences!

PUPPY CLASS

6 week class | Ages 14 Weeks-5 months | 45 min sessions | \$199.00

Form a strong, long-lasting bond with your new puppy by building on your communication skills. Through the Reinforcing Method, we start the foundation of name recognition, leash conditioning, sit, down & crate training. You'll also build on socialization skills & learn how to successfully ignore unwanted behaviors. You'll be amazed at how much your puppy wants to please you and your family! At the end of class, you and your puppy will be able to test for the S.T.A.R program of the AKC.

BEGINNING OBEDIENCE CLASS

6 week class | Ages 5 months+ | 60 min sessions | \$199.00

Learning fundamental skills are important for your dog's development. In this class, you will learn how to effectively communicate with your pet & they will learn to associate natural behaviors to a command. The skills that every dog should know are included in this class, such as name recognition, sit, down, wait, come, place/climb, leave it & cooperative walking. You'll participate in fun exercises that engage your dog's mind. It's the beginning to a better life between you & your dog!

INTERMEDIATE OBEDIENCE CLASS

6 week class | Builds on Beginning Obedience | 60 min sessions | \$199.00

This class is a continuation of your Beginning Obedience experience. We start with intensifying the skills they already know to improve distance and durations. You will work with your dog on the the skills of stay & come on a long line, leave it with greater distractions, and loose leash walking. This is a great class for any dog & owner pair that wants to strengthen their existing skillset.

ADVANCED OBEDIENCE CLASS

6 week class | Builds on Intermediate Obedience | 90 min sessions | \$199.00

Now it's time to test your newly learned skills! This class is designed to help you successfully execute your pet's existing skillset in new environments. You'll learn fun new advanced skills & tricks that mentally stimulate your dog's brain. At the end of this course, you'll be able to test for the C.G.C (Canine Good Citizen) award from the AKC.
